Presentation

The purpose of this meeting is to provide information about a proposed project by the Upper Salmon Basin Watershed Project.

This project will involve a reconnect of Agency Creek at the point where L32 crosses through Agency Creek. L32 or Lemhi River water will be transported under Agency Creek by a siphon.

Please join us for this informative meeting. Contact: Quinton Snook at 756-6322 or
Jerry Eastman at 756-4676 for more information
